

An idea can be inspired by nature or by imagination. A stone, a wall or a painting. The ARTistic creativity and intuition transform them into a material for architecture.

## INSPI- RATION

## MAKING

Every collection as a solution kit for architecture, with matching colours, sizes, patterns and surfaces, designed to dress spaces and styles with technically impeccable solutions.

## ASSORTMENT

Collection is inspired by the great places in the time store, a classicism that borders on almost metaphysical landscapes, on places of well-being, where each geological era has left its mark.

## **SOLOREX Across the World**

Never the same, always in harmony,  
each graphic face of mystic is a piece  
of natural art, capable of dominating  
the space to bring out the beauty  
and brilliance of making the details.
